

Padgett Business Services

Description:

Padgett Business Services is Canada's leading supplier of Small Business services. For 40 years, we have catered to the individual needs of Small Business owners through a network of over 400 local owner-operated offices.

We offer comprehensive and personalized services specifically designed for the needs of Small Business, namely:

- * Accounting and Financial Reporting
- * Tax Consultation and Preparation
- * Complete Payroll Services
- * Business Advice

We help solve Small Business issues so clients can have peace of mind, and focus on what is most important – their business success.

Branching out on your own:

Padgett offers you a fresh, yet proven alternative to the challenges of going it alone. We offer you a successful formula for branching out... one that will help you achieve your professional and personal goals.

We'll provide the right foundation to accelerate your professional growth and your success, and to give you a competitive edge, including proven business tools, training and support. You will have access to time-tested systems and marketing techniques as soon as you open your doors for business. 775
